

INTERNSHIPS AND GRADUATE CAREER OPPORTUNITIES

Join the only company in Africa selected as a 2019 Technology Pioneer by the World Economic Forum (WEF).

ABOUT DATAPROPHET

DataProphet is a global leader in Artificial Intelligence (AI) for manufacturing. Our award winning technology embeds unique adaptations and advancements of deep learning, enabling AI to have a significant and practical impact on the factory floor. DataProphet's solutions are built to be adapted and integrated into existing environments, making it possible for our digital transformation team to take your operations from zero to AI. We understand manufacturing and that real impact is achieved with pre-emptive actions because real-time is often too late.

WE HAVE OPPORTUNITIES AVAILABLE FOR QUALIFIED CANDIDATES TO APPLY FOR BOTH INTERNSHIPS AND PERMANENT ROLES WITHIN OUR TEAM

WHO SHOULD APPLY?

The ideal candidate for our internship program should have achieved a minimum of an Honours level degree. Candidates for our Graduate opportunities should have completed a minimum of Honours level and ideally have completed a Masters degree in one of the following fields:

- ◆ Computer Science
- ◆ Applied Maths
- ◆ Astronomy
- ◆ Stats
- ◆ Pure Maths
- ◆ Actuarial Science
- ◆ Physics
- ◆ Electrical Engineering
- ◆ Chemical Engineering
- ◆ Mechatronics
- ◆ Advanced Analytics

ADDITIONALLY, YOU SHOULD HAVE/BE;

- ◆ An interest in and basic understanding of Machine Learning and Artificial Intelligence
- ◆ An interest in and basic working knowledge of Python
- ◆ A passionate and enthusiastic individual with a high level of learning agility
- ◆ Someone with the desire to learn what it takes to be a valuable team player
- ◆ Someone who is curious and loves finding new and innovative ways to solve problems

MORE ABOUT OUR INTERNSHIP PROGRAMME

We are passionate about shaping the people who are the future of our industry. Our internship program gives you the opportunity to immerse yourself in our exciting and challenging environment. You will learn all aspects of working in the industry from a technical perspective, as well as the soft skills you will require to build the relationships you will need to be successful in your career.

Internships are usually four to eight weeks in duration, however, longer internships will be considered.
